ASTRALPOOL – **CRYSTALBLOCK**

Monodose flocculant gel

· Crystal and pure water
· Improves the effectiveness of disinfectant products
· Increase filter efficiency

GEL MONODOSE	DURATION	DOSAGE
	Every 15 days	1 gel/60m³

PROPERTIES

Appearance	Solid in gel
Colour	Blue
Weight	90 g

CHARACTERISTICS

Product specially formulated to obtain a superior filtration performance. Crystalblock is a "slow dissolving" product that completely and easily removes suspended particles that are not retained by the filter, thus achieving total transparency of the pool water. It eliminates organic matter and reduces the consumption of disinfection products.

INSTRUCTIONS FOR USE

Wash and rinse the filter. Then remove the label and take the tablet out of the container. Then place the tablet inside the skimmer basket.
After 24 hrs, perform a filter wash and resume with the normal filtration program.

DOSAGE

Recovery treatment: Add 2 tablets of product for pools up to 50 - 60 m^3. (turbid water)

Maintenance treatment: Add 1 tablet of product every 2 - 4 weeks for pools up to 50 - 60 m^3.

These doses are the ones suggested and can be modified according to the own characteristics of every swimming pool, climate, etc.
